

EASTMAN MUSEUM COUNCIL MEMBERSHIP 2020–2021

The Eastman Museum Council is an extraordinary group of more than 200 dedicated museum members who contribute time, talent, and energy to support the activities of the George Eastman Museum. Many council members hold professional and civic leadership positions in Greater Rochester, and others are actively engaged in a wide variety of community service and social organizations.

In addition to photography, cinema, and technology, council members are interested in architecture, art, conservation, gardening, historic preservation, literature, local history, music, performing arts, and travel. Many council members also serve as museum docents. Through voluntary service and fundraising, council members are enthusiastic ambassadors for the museum, and they exemplify George Eastman's legacy of commitment to community and philanthropy.
