PLAN YOUR VISIT

We are excited to welcome you back to the Eastman Museum! In order to ensure all our guests have a safe and enjoyable experience, we have introduced some new guidelines and measures that prioritize the health and safety of our visitors and staff.

Not ready to visit onsite? Check out [GEM at Home](#) for activities, videos, tutorials and more relating to the museum's collections, and tour the museum online using our Virtual Tours.

Preparing for Your Visit

- **Masks are required for all individuals over two years old;** please bring one for each member of your party. Please note that no one will be allowed onsite without a mask.
 - Individuals under two years old must be in a stroller or carried by an adult at all times.
 - Masks are required outdoors on museum grounds when it is not possible to maintain a distance of six feet from other parties.
 - If you are unable to wear a mask, we ask you come at a later date when masks are not required. Visit [GEM at Home](#) for talks, tours, activities and more you can enjoy at home.
 - Click here for [more information on wearing masks at the museum](#).
- **Advance tickets are required** and may be purchased online at eastman.org/tickets.
 - Members do not need to purchase advance tickets; new members who have not yet received their cards can check in without them at the Lipson Welcome Center.
